

MARCH WITH QUINCY BRAINTREE FAMILY NETWORK-CFCE

2017

Beginning Steps Playgroup: Learning Links 1511 Hancock St., Quincy Center
Special drop-in playgroup just for infants through 28 months. Activities/materials will center around this age group, to help promote gross motor, fine motor and sensory development. Sorry this is only for the little ones, no children over 28 months. NO registration required.

Every Tuesday, March 7th through March 28th from 10:00-11:15 a.m.

Science Spectacular: Houghs Neck Community Center, 119 Sea Street, Quincy
Young children are full of curiosity and excitement. Join us this session as we explore the ins and outs of magnets. What makes them stick together? What are poles? What happens when you try to push the same poles together? We will perform many experiments to find out what materials are magnetic and what are not. There is no registration required, but if you are interested in coming please send me an email to the email below to ensure there are enough supplies on hand for all to experiment with.

NO registration required.

Every Thursday, March 9th through March 30th from 12:30-1:45 p.m.

The following groups require registration.

Registration will begin on Monday, March 6th at 9:00 a.m. via email.

Early registrations will not be accepted.

Art in the Afternoon: Learning Links, 1511 Hancock St., Quincy Center
Join us for this 4 week fun parent child art/literature group. During this session we will explore literature pertaining to art and create beautiful 3D masterpieces. Be prepared to get messy and have some fun, as you and your child experiment with different materials and get creative. Children must be 5-7 years old to register. To register contact Dawn at dcorley@qcap.org.

Tuesdays March 7th through March 28th from 1:30-3:00 p.m.

Stem Explorers: Learning Links, 1511 Hancock St., Quincy Center
Each week we will explore the STEM curriculum-science, technology, engineering and math. Fun activities to promote curiosity and exploration. Nurture your child's innate curiosity by letting them begin exploring in STEM. Come explore and investigate the wonderful world of science technology, engineering, and math.

This group is for children ages 4 & 5 years old.

To register contact Joan at jrodeck@qcap.org

Fridays, beginning March 31st through April 21st from 10:00-11:15 a.m.

Please note: The current session of Learning Links for Monday and Wednesday will continue until the following dates:

- ◆ Mondays-ending on March 20th
- ◆ Wednesdays-ending on March 15th
