

Here's what's new with Quincy Braintree Family Network-CFCE February 2107

All programs are free of charge.

Science Spectacular: Houghs Neck Community Center, 1195 Sea St., Quincy

Have you ever wondered how or why something happens? For instance, how do ice mounds form outside? What happens when you mix certain ingredients together and what happens when you do? Will changing things slightly have a different outcome? Mountains of fun will erupt in this group! Warning: This might get messy! Ages 2.6-4 years.

NO registration required. For more information contact Dawn at dcorley@qcap.org

Every Thursday beginning January 19th through February 16th from 12:30-1:45 p.m.

Beginning Steps Playgroup: Learning Links 1511 Hancock St., Quincy Center

Special drop-in playgroup just for infants through 28 months. Activities/materials will center around this age group, to help promote gross motor, fine motor and sensory development. Sorry this is only for the little ones, no children over 28 months. NO registration required.

Every Tuesday, February 14th through March 28th from 10:00-11:15 a.m.

The following groups require registration.

Registration will begin on Thursday, January 26th at 9:00 a.m. via email.

Early registrations will not be accepted.

Math Magnets: Learning Links, 1511 Hancock St., Quincy Center

Have you ever noticed how kids are drawn to numbers and shapes just like a magnet? This group will focus on math readiness skills, such as, number and shape recognition, patterning, and more. Games, songs and books help bring math to life. Children must be 2.6-4 years old.

Registration required by contacting Joan at jrodeck@qcap.org.

Every Friday, February 10th through March 17th from 10:00-11:15 a.m.

Art in the Afternoon: Learning Links, 1511 Hancock St., Quincy Center

Join us for this 4 week fun parent child art/literature group. During this session we will explore literature pertaining to art and create beautiful masterpieces. Be prepared to get messy and have some fun, as you and your child experiment with different materials and get creative. Children must be 5-7 years old to register.

To register contact Dawn at dcorley@qcap.org.

Every Tuesday, February 7th through 28th from 1:30-2:45 p.m.

Parent Workshop: W.A.T.C.H. Learning Links, 1511 Hancock St. Quincy

W.A.T.C.H (World Against Toys Causing Harm) will present a workshop for parents to get tips on what toys may not be appropriate for your child. Advertisements for toys fill the air waves throughout the year. Everything looks fun to play with, but are all those toys really safe? Join us in welcoming Joan Siff from W.A.T.C.H to hear the latest on the toys you may not want to buy your child.

Thursday, February 16th, 10:00-11:15 a.m.

Registration required by contacting Joan at jrodeck@qcap.org

Limited babysitting will be available. Children must 2.6-5 years old.

If you register for babysitting please provide the child's name and date of birth.

Babysitting will be provided at Learning Links with Joan and Dawn.

Learning Links Playgroup: 1511 Hancock St., Quincy Center
