

# CHILD TAX CREDIT IS NOW AVAILABLE!

Do you have children under the age of 18?  
The CHILD TAX CREDIT can help you and your family!

## Frequently Asked Questions:

- **What is the Child Tax Credit?**  
Thanks to the CARES Act of 2020 and the American Rescue Plan Act of 2021, the Child Tax Credit will provide **\$3,000 - \$3,600 per child** for nearly all working families via automatic payments. For more information, visit:

- **What if I don't usually file a tax return? Can this still help me?**  
YES! Even if you don't file a tax return these could still help you and your family! If you don't usually file a tax return, check out this page for more information:

- **Will receiving this tax benefit affect my other benefits?**  
NO! These additional payments are tax credits – so they don't count as income and therefore DO NOT result in reductions of other benefits.
